Evetric[®]

Discover the diversity and lifelike esthetics of Evetric, the state-of-the-art composite, presented in this Casebook. Thanks to the material's highly coordinated nano-filler technology, natural-looking results for a beautiful smile can be easily achieved. Furthermore, the smart filler combination allows clinical reliability for a long-lasting and attractive result.

You can rely on Evetric to obtain lifelike and natural-looking restorations. The clinical results from renowned international experts on the following pages speak volumes.

"Evetric provides excellent shade adaptation"

PROF. DR VLATKO PANDURIĆ, UNIVERSITY OF ZAGREB

**"Beautiful teeth
enhance the
quality of life"**

DR BENCE BEZZEG, DENTIST, HUNGARY

to the tooth in a
completely natural way"**

DR IGOR RISTIĆ, DENTIST, SERBIA

**"The material
for a beautiful,
radiant smile"**

DR VLAD CURTUZAN, DENTIST, ROMANIA

**"Absolutely natural-looking,
absolutely esthetic,
but still easy to use"**

DR IVAN PULJIĆ, DENTIST, CROATIA

**"A gift for any
dentist and patient -
I can't say this often enough"**

MUDR. MARTIN TOMEČEK, DENTIST, CZECH REPUBLIC

**"What impresses me
most is its handling
and esthetics"**

DOC. MUDR. LUDEK PEŘINKA, DENTIST, CZECH REPUBLIC

**"Evetric offers
all you need"**

MUDR. TOMÁŠ ČERVENKA, DENTIST, SLOVAKIA

**"A material
offering long-lasting
esthetics"**

DR IGOR KRIŽNAR, DENTIST, SLOVENIA
